WHEN TO USE THERMO MASTER®

ACTIVE COMPONENTS: GREEN TEA (98%), CLARINOL® (CLA), CAFFEINE, PIPER NIGRUM, CHROMIUM PICOLINATE, ACETYL-CARNITINE, GINSENG

FEATURES

Thermo Master® is designed to help controlling or reducing weight, in association with well balanced low-calorie diets and healthy lifestyles, with a proper amount of physical activity. Green tea contributes to weight control, ginseng promotes carbohydrates' metabolism in case of physical and mental fatigue. Chromium helps to maintain normal levels of blood glucose. This product contains Piper Nigrum's extract (tit. 95% in piperine), useful for digestive function. Folic acid contributes to tiredness and fatigue reduction, vitamin B2 and B6 contributes to normal energy metabolism. This product contain also bromelain, acetyl-L-carnitine, Clarinol (conjugated linoleic acid) and high caffeine content (200 mg/dose die).

INDICATIONS

Thermo Master can be a useful supplement for low-calorie diets aimed at weight control and reduction

HOW TO USE AND RECOMMENDED DAILY DOSE

It is recommended to take 2 tablet per day, preferably in the morning or approx. 2 hrs before sports activities.
