

FERROSPORT®

IRON FOOD SUPPLEMENT WITH FOLIC ACID AND VITAMIN C

IRON DEFICIENCIES

EASY TO DIGEST AND ASSIMILATE IRON SUPPLEMENT, SUITABLE ALSO FOR ATHLETES

INFORMATION

Iron contributes to normal energy-yielding metabolism, and normal red blood cell and haemoglobin formation. It also contributes to normal oxygen transportation in the body, and to the reduction of tiredness and fatigue. Vitamin C enhances iron absorption. People who do intense sports activities might require a diet richer in iron.

FEATURES

FerroSport® is an iron food supplement with folic acid and vitamin C. This product does not contain gluten (Gluten Free), therefore is suitable also for people suffering from celiac disease or gluten intolerance.

INDICATIONS

The product is useful in case of iron alimentary deficiency.

HOW TO USE AND RECOMMENDED DAILY DOSE

1 sachet per day. Dissolve in some water and take between meals.

INGREDIENTS
