

# COLLAGENE®

**FOOD SUPPLEMENT BASED ON HYDROLYZED COLLAGEN**  
**TARGETED SUPPLY OF SELECTED STRUCTURAL PROTEIN SOURCES**

## INGREDIENT ACTIONS

**Selected Source  
of Hydrolyzed Collagen**

**Specific and Flexible  
Protein Support**

**Suitable for Personalized  
Nutritional Protocols**

**Compatible with  
Wellness-Oriented Regimens**

**Hydrolyzed Collagen  
for Precision Nutritional Strategies**

## FEATURES

COLLAGENE® is a food supplement in tablet form, based on hydrolyzed bovine collagen, processed through a specific enzymatic hydrolysis method. Collagen is a protein naturally present in the human body, particularly in connective tissues, where it plays a structural role.

Supplementation can be beneficial in controlled dietary regimens or in situations where the intake of specific protein components is quantitatively or qualitatively limited. The tablet format allows for a flexible dosage, suitable for both cyclical and continuous use, according to individual needs. The product is gluten-free, contains no added sugars, and is doping-free tested.

## RECOMMENDED FOR

- For those following a diet with a structural focus
- For those who include collagen in their daily routine
- For individuals engaged in physical activity or with active lifestyles
- For those adopting nutrition strategies aimed at overall balance
- For anyone looking to take care of themselves from the inside out

# COLLAGENE®

## FOOD SUPPLEMENT BASED ON HYDROLYZED COLLAGEN TARGETED SUPPLY OF SELECTED STRUCTURAL PROTEIN SOURCES

### INDICATIONS

COLLAGENE® in tablet form is a hydrolyzed protein source that is practical, versatile, and highly digestible, ideal for supplementing the diet in programs requiring selective and controlled protein intake.

The hydrolyzed form enhances absorption and is sui-

table for prolonged use as part of a varied and balanced diet. Recommended for individuals who wish to incorporate a functional ingredient into their daily routine, compatible with personal wellness and vitality goals.

### HOW TO USE AND RECOMMENDED DAILY DOSE

Take 1 serving (3 tablets) up to twice a day with water. Dosage can be customized according to individual needs.

### INGREDIENTS

Hydrolyzed collagen (bovine), anti-caking agents: silicon dioxide, magnesium salts of fatty acids.

AVERAGE CONTENTS		
	Per Serving	Per 2 Servings
Hydrolyzed Collagen (bovine)	3000 mg	6000 mg

NRV: Nutrient Reference Values (adults) according to EU Regulation 1169/2011

Warnings: Supplements should not be considered as a substitute for a varied and balanced diet and a healthy lifestyle. Do not exceed the recommended daily dose. Keep out of reach of children under three years of age. Store in a cool, dry place, away from direct heat sources and humidity. The expiration date refers to the product properly stored

in its intact packaging. Produced in a facility that processes ingredients containing milk (including lactose), soy, peanuts, other nuts, sesame seeds, eggs, shellfish, and fish. This product is tested free from anabolic steroids, stimulants, and SARMS.
