

OMEGA 3 - ULTRA CONCENTRATE

FOOD SUPPLEMENT OF OMEGA 3 FATTY ACIDS

HIGH CONCENTRATION (EPA/DHA = 50/25)

JAR OF 90 CAPSULES
JAR OF 180 CAPSULES

INGREDIENT ACTIONS

HEART

Contributes to the normal functioning of the heart¹

TRIGLYCERIDES

Helps maintain normal blood triglyceride levels²

BLOOD PRESSURE

Contributes to the maintenance of normal blood pressure³

BRAIN

Supports normal brain function⁴ thanks to DHA

VISION

Contributes to the maintenance of normal visual function⁴

PREMIUM QUALITY

HIGH PURITY
EXCELLENT DIGESTIBILITY
NO AFTERTASTE

High-concentration Omega 3, a complete support for the well-being of the heart¹, brain⁴, vision⁴, triglycerides², and blood pressure³

FEATURES

OMEGA 3 ULTRA CONCENTRATE is a dietary supplement of **Omega 3 fatty acids (EPA and DHA)**, obtained from highly purified fish oil and subjected to multiple purification processes and strict quality control. Replacing saturated fats in the diet with unsaturated fats, such as **EPA** and **DHA**, contributes to the maintenance of normal blood cholesterol levels. An adequate intake of EPA and DHA, as part of a balanced diet and healthy lifestyle, **supports normal heart function¹, helps maintain normal blood triglyceride levels², and contributes to the maintenance of normal blood pressure³.**

DHA also contributes to normal **brain function⁴** and **visual function⁴**.

The **softgel** capsules are easy to swallow, well tolerated, and free of aftertaste, making them ideal for prolonged use.

High EPA/DHA concentration (50/25) – High purity – Excellent digestibility – No aftertaste – High-quality standard – Doping-free tested*

RECOMMENDED FOR

- For those who want to support **heart health¹, brain function⁴, and visual function⁴.**
- For those who want to maintain **normal blood triglyceride levels² and normal blood pressure³.**
- For individuals following **diets low in fish or essential fatty acids.**
- **For athletes and active people** seeking a high-quality lipid supplement that is **easy to digest and free of aftertaste.**
- For those looking for a **complete and concentrated nutritional support** for cardiovascular and overall well-being.

OMEGA 3 - ULTRA CONCENTRATE

FOOD SUPPLEMENT OF OMEGA 3 FATTY ACIDS
HIGH CONCENTRATION (EPA/DHA = 50/25)

INDICATIONS

OMEGA 3 ULTRA CONCENTRATE is recommended in cases of **low intake of essential fatty acids** or increased **nutritional requirements**. The combination of **EPA and DHA** contributes to **cardiovascular well-being¹**, helps **maintain normal blood triglyceride levels²** and

normal blood pressure³, and supports normal **brain function⁴** and **visual function⁴**.

A balanced and safe supplementation for **daily well-being**.

HOW TO USE AND RECOMMENDED DAILY DOSE

Take **1-4 capsules per day** with water, preferably during meals.

INGREDIENTS

Fish oil, coating composition (gelatin, humectant: glycerol; water).
